Care Partners

Neighbors helping neighbors!

It's hard to ask for help. That's why we love Care Partners. This program empowers you to thrive at home with help from a caring senior companion.

About the program and how it works:

My Care Partners Volunteer has been a blessing. She was a comfort while providing me with much needed respite and is now a continued source of uplifting joy while I grieve the loss of my husband. I don't know what I would've done without her.
