WE THRIVE!

Volunteers

We need you!

Did you know there are health benefits associated with volunteering? It's true! From reducing stress and anxiety to increasing self-confidence, helping others can have a positive mental and physical impact. Volunteers are an integral part of AgingNext. Without them, we could not offer such an extensive range of programs and services. Not to mention, volunteering is a great way to socialize and get to know other seniors in your community.

About the program:

**AmeriCorps
Seniors**

If you're looking for truly rewarding service opportunities, you've come to the right place. The AgingNext volunteer program is for adults age 55+ who want to use their wisdom, experience and skills to help seniors thrive at home.

Our Volunteer Program is funded by AmeriCorps Seniors.

Who is eligible?

We are looking for volunteers 55+ who want to make a difference in their community.

*Live well.
Age well.*

How it works:

Contact us to become a volunteer. We'll match your skill set or desired activity to our clients' needs so you can help seniors age with confidence.

Who benefits:

AgingNext volunteers help our clients thrive at home in many different ways. From meal delivery to running errands, our reliable, compassionate volunteers make a difference in our local communities every day.

Service area:

Azusa, Claremont, Covina, Diamond Bar, Glendora, La Verne, Pomona, San Dimas, and Walnut

It's a joy to directly serve and help others. Personally, I feel volunteerism is a form of self-healing that also positively impacts lives.
